

HOW TO: HOST A MINI

Minis typically include 3 - 5 teams and DO NOT include a championship format nor medals. They simply are a series of exhibition games held over a day or two. If you structure the draw towards a champion, OR want medals, you are running a small tournament and need to contact tournaments@barrieroyals.ca

For Minis

1. Choose a time and gym.
2. Email Mary Ellen at permits@barrieroyals.ca to secure your choice of gym & time.
3. Get commitments from visiting teams.
4. Email Mary Ellen again to request referees & score keepers. (After you have teams committed)
5. Contact Greg MacMillan finance@barrieroyals.ca or Mary Ellen if you need a score book (coaches usually have a score book).
6. Assign one team per game to register it as an exhibition game with OBA (See "Registering Exhibition Games with OBA"). You won't be able to register the games that you don't play in.
7. Have winning teams enter game scores online for OBA.
8. To enter your game scores use your coach login for Sport Savvy. (Go to basketall.on.ca; click on member login.)

Paying for your Mini

Costs for your mini will come out of your budget. You should ask visiting teams to pay a fee to participate in your mini. The visiting team e-Transfers the fee that you set to barrie.royals3@gmail.com with a *note that the payments is for your team*. That fee will be deposited to your team budget to offset your costs. Typically, teams will not pay any more than \$150.00 for a game.
