

PRACTICE ON SCHOOL “SNOW DAYS”

Cancellation policies vary by school board.

If school buses are cancelled:

- Nouvelle Alliance, SCDSB, Romeo Dallaire: **Practices continue** unless the school or the team cancels practice.
- SMCDSB (Catholic English): Practices are **automatically cancelled** by the school board.

When the buses are cancelled you should check your email throughout the day, in case the school staff decides to cancel a permit. They will email me and I will forward it to you.

If the school board does not cancel a permit, it still may be cancelled by local school staff, or by the team's coaching staff. In this case, there is a mutual understanding that the cancellation will occur by 3:00 pm. If a school itself cancels a permit, I will let you know as soon as possible. If you choose to cancel a permit, I will let the permit office know as soon as possible.

Please advise your player's parents that although in rep sport we expect attendance at all practices, we DO understand that people have varying degrees of comfort in winter driving. All members of the club will understand that the right decision for one family about driving in bad weather may be different than the right decision for another family.

If your coaching staff decides to cancel a practice, please contact Mary Ellen ASAP at: permits@barrieroyals.ca 705 816 5308
